## **Smart Watch LIFELONG Emerald – VBSWW270**

- Bluetooth Call Notifications:** With just a tap of a button, you can synchronize your mobile phone via Bluetooth to receive call notifications, even when you are on the go. This feature makes communication more efficient and helps you stay connected to your phone even when you're away from it. Vibez smartwatches are compatible with both Android and IOS devices.
- One Watch. Two Straps:** The Vibez Emerald smartwatch is a perfect choice for both men and women, as it offers a seamless switch from work to play with the change of a strap. Its skin-friendly silicone straps are not only comfortable but also fashionable, making it a versatile accessory for any outfit.
- HD Display screen:** The Vibez smartwatch is the perfect device for those who want to make everything come to life. With its Dial size of 1.79" & Screen size of 1.39" with HD display and 240\*286 resolution, you'll be able to see everything in stunning detail. This smartwatch is the ideal companion for those who want to stay connected and always stay on top of their game.
- Charging Specs -** The watch needs to be charged for 2-2.5 hours to reach 100%. The charger should be a 3.7V to 5V adapter or any laptop output. For a bare minimum of 20% charge the watch needs to be charged for about 30-40 mins
- Supported Applications -** Notifications from all social media channels (Instagram, WhatsApp, Facebook), Call Notifications, Health Tracking (SpO2, Heart Rate, Sleep), Sports Tracking & many more (This is not a medical device).
- Powerful Processor:** Powered by the High-performance processor, the watch delivers smooth performance and efficient operation, allowing you to navigate through various functions effortlessly.
