Lunchbox BOROSIL Flat Stainless Steel - Set of 2

- **Microwave-Safe:** Reheat your meals quickly and easily without the need to transfer to another dish.
- **Food-Grade Quality:** Made from top-tier stainless steel, these lunchboxes are a perfect blend of durability and safety, keeping your food fresh for hours.
- **Non-Reactive Material:** Enjoy your meal without worrying about chemical reactions or unwanted flavors—our stainless steel ensures that your food tastes just as it should.
- **Spill-Proof Design:** No more messy spills or dirty bags. Our lunchboxes are completely spill-proof, making them perfect for all types of food, from dal to soups.
- **Stylish Washable Carry Bag:** Pair your lunchbox with a smartly designed, washable carry bag that's both stylish and practical, adding a touch of elegance to your daily routine.
