Gas Stove LIFELONG Glass Top - 4 Burner

The Lifelong 4 burner stove is designed for optimized fuel usage and maximum kitchen efficiency. The 4 burners make it easy to cook separate dishes in a lesser span of time, for more efficiency and lesser time in the kitchen every day.

The top of the Lifelong 4 burner gas stove is covered with a layer of shatterproof glass, toughened glass which gives your kitchen a touch of elegance and a premium feel. The glass is heat resistant and can withstand high temperatures on a daily basis.

The glass top is shatterproof and does not chip or crack when faced with extreme heat. All these features, combined with the anti skid feet, ensure risks like burning and dis-balancing are minimized.

Warranty - 1 Year
