- **Kettle LIFELONG Electric - 1.5 l**

The kettle features fast boiling technology that heats water quickly, saving you valuable time when you're in a rush. Perfect for making tea, coffee, instant noodles, or preparing baby food.

Equipped with an automatic shut-off feature, the kettle turns off once the water reaches a boil, preventing overheating or dry boiling. It also has an overheat protection mechanism for added safety.

Made from high-quality materials, the kettle ensures durability and long-lasting performance. It has a sleek, modern design that complements any kitchen setting.

The kettle has a heat-resistant, ergonomically designed handle for a comfortable grip and safe pouring, even when the kettle is hot.

Warranty - 1 Years
