Backpack SWISS MILITARY Platinum - 75 cm

Product Highlights:

Introducing the Swiss Military Platinum Soft Trolley Luggage Bag, a versatile travel companion designed for your convenience. This 28-inch bag is crafted from durable polyester, ensuring it can withstand the rigors of your journeys. Its silent glide 4-wheel spinner system guarantees effortless mobility, allowing you to move through airports, train stations, and streets with ease. No more struggling with heavy bags, as this luggage glides smoothly alongside you. We prioritize your security with a fixed combination Swiss Military TSA-like lock, providing peace of mind during your travels. Your belongings will remain safe and secure throughout your trip.

Inside the main compartment, you'll find a zipper mesh pocket and elastic straps. These features make it easy to organize your items and keep them neatly in place. There's also an additional mesh and hinge pocket, offering extra storage options.

For convenience when carrying or lifting the bag, it's equipped with sturdy top and side carry handles. These handles ensure that you can easily transport your luggage, even in crowded places or tight spaces.

The spacious compartment is designed with a zipper divider, allowing efficient packing and organization. Whether you're embarking on a short weekend getaway or a longer adventure, this luggage bag is equipped to accommodate your travel needs. Elevate your travel experience with the Swiss Military Platinum Soft Trolley Luggage Bag.
