### **Headphones PHILIPS TAH8506BK – Black**

The **Philips TAH8506BK Headphones** (Black) deliver a premium audio experience with exceptional sound quality and comfort. Designed for audiophiles and everyday users alike, these wireless over-ear headphones feature **Active Noise Cancellation** to immerse you fully in your music or calls, blocking out unwanted background noise.

With **Bluetooth 5.0** connectivity, you can enjoy seamless pairing with your devices and high-quality audio streaming. The **30-hour battery life** ensures that you can enjoy your music for extended periods without the need to recharge frequently, while the **quick charge feature** gives you up to 2 hours of playback with just a 15-minute charge.

The **ergonomic design** offers a comfortable fit with soft ear cups and adjustable headbands, making them perfect for long listening sessions. Whether you're working, relaxing, or traveling, the **Philips TAH8506BK** headphones combine powerful sound performance, comfort, and convenience in a sleek, modern design.

**Warranty: 1 year**
