

Soundbar PHILIPS TAB7007 - 240 W

Product Highlights:

- •Immersive Sound Experience: The Philips Audio TAB7007 delivers powerful and immersive sound with its 2.1 channels and wireless subwoofer. Feel the rumble of explosions and enjoy deep, rich music that enhances your favorite movies, shows, and music.
- •Dolby Digital Support: Immerse yourself in a more expansive and engaging audio experience with Dolby Digital surround sound. This soundbar with wireless subwoofer supports the Dolby Digital format, bringing your entertainment to life with enhanced clarity and depth.
- •Versatile Connectivity: Enjoy your favorite tunes with ease. Switch to Bluetooth mode to stream music from your smartphone or tablet, or play your music directly from a USB device. With multiple connectivity options including HDMI, audio-in, and USB, you can connect to any source effortlessly.
- •Stylish and Space-Saving Design: The distinctive angled design and low profile of the Philips Audio TAB7007 make it a statement piece in any home. The included wall brackets offer flexibility in placement, while the slim design of the wireless subwoofer allows for easy concealment.
- •Seamless Integration: With HDMI-out (ARC) support, you can control the soundbar using your TV remote, simplifying your audio setup and providing a seamless integration with your existing entertainment system. Enjoy hassle-free operation and elevate your audio experience.
- Warranty-1 Year
